Hi Kathy,

Thanks for sending this agenda/briefing paper. I don't have any comments. Carrie and Alexis will both be there, and Alexis can speak to ESA. Thanks to both of them for filling in for me!

I am also attaching the summary of our proposed path on ESA, so that Alexis and anyone else has it as a reference point, but I assume she will not be running through it at the meeting, as you have plenty of other things to cover. Also, I am attaching:

Simma,

The letters to the governors and tribal councils are something Wheeler has asked for. A draft is working itself through the correspondence system. No action for OGC on those.

Brian,

Attached is the new briefing paper that incorporates my notes from the pre-brief and John's thoughts.

Please copy myself, Ruth and Lauren with any changes you'd like to see. We will make the changes and Lauren will make final copies and take 3 to OW by 3 pm today.

Today, I will be working with Allison and Andrea in OW to revise the Stakeholder Engagement Strategy. We may not have a version to hand out tomorrow.

Handouts we will bring to the meeting:

- 1) Draft of Governor's letter for A. Wheeler's signature re: Corps memo (Kathy updating with John's comments)
- 2) Draft of letter to Tribes for A. Wheeler's signature re: Corps memo (Brittany drafting)
- 3) Hopefully Draft of Governor's letter to MI and NJ A. Wheeler's signature re: Corps memo (Kathy hopes to get to today)
- 4) List of all changes to rule the workgroup plans to make (with reg citation - per John's request to have on hand). I will not bring draft blueprint.
- 5) Draft Outreach plan - If I resolve format and content with OW.
